# Resurrection Catholic Primary School Explanatory Statement

## 1. Preamble

1.1 Catholic education is intrinsic to the mission of the Church. It is one means by which the Church fulfils its role in assisting people to discover and embrace the fullness of life in Christ. Catholic schools offer a broad, comprehensive curriculum imbued with an authentic Catholic understanding of Christ and his teaching, as well as a lived appreciation of membership of the Catholic Church.

1.2 Parents and guardians, as the first educators of their children, enter into a partnership with the Catholic school to promote and support their child's education. Parents and guardians must assume a responsibility for maintaining this partnership with the school by supporting the school in furthering the spiritual and academic life of their children.

## 2. Enrolment Procedure

- a) Enrolments are advertised through the school newsletter, parish bulletin, and on kindergarten and childcare center notice boards
- b) Enrolment applications for the following year open on the first day of Term 1 and remain open until Week 8 of Term 2.
- c) New families will be interviewed by the Principal with a tour providing them with an opportunity to see the facilities and learning program provided. Existing families will be given the opportunity of an interview with the Principal, after applications close.
- d) All families are required to meet with the Parish Priest to have their application for enrolment endorsed.
- e) Following interviews with the Parish Priest, first round offers of a place will be sent out at the end of Term 2.
- f) Acceptance of offers must be returned by the end of Week 2 of Term 3.
- g) Families not successful will be sent a letter of non-acceptance and where relevant, an offer for their child's enrolment to be placed on a waiting list pending enrolment vacancies.
- h) Change of surname from original birth certificate will only be accepted when appropriate legal documents are provided to the school.

2.1 You are required to provide particular information about your child during the enrolment process, both at the application stage and if the school offers your child a place. Please note that lodgement of the enrolment form does not guarantee enrolment at the school. If the information requested is not provided, we may not be able to enrol your child.

2.2 To meet school and government requirements, you will need to provide the school with a completed enrolment form including, among other things, the information listed below.

<ul style="list-style-type: none"> <li>evidence of your child's date of birth, e.g. birth certificate, passport</li> </ul>	<ul style="list-style-type: none"> <li>information about the language(s) your child speaks and/or hears at home</li> </ul>
<ul style="list-style-type: none"> <li>religious denomination</li> </ul>	<ul style="list-style-type: none"> <li>nationality and/or citizenship including the visa subclass granted upon entry to Australia (prior to citizenship being granted) where applicable</li> </ul>
<ul style="list-style-type: none"> <li>names and addresses of the child and parents/guardians; telephone numbers (home, work, mobile) of parents/guardians</li> </ul>	<ul style="list-style-type: none"> <li>doctor's name and telephone number</li> </ul>
<ul style="list-style-type: none"> <li>names of emergency contacts and their details</li> </ul>	<ul style="list-style-type: none"> <li>information on additional learning needs (for example, whether your child requires additional support in relation to mobility, language, social skills development, welfare needs, challenging behaviours, adjustments to the curriculum, etc.)</li> </ul>
<ul style="list-style-type: none"> <li>specific residence arrangements</li> </ul>	<ul style="list-style-type: none"> <li>parenting agreements or court orders, including any guardianship orders</li> </ul>

2.3 After lodgement of this form, school staff may need to request further information, for example in relation to any parenting orders, medical conditions or additional learning needs that you have noted on the enrolment form. In addition, it is often useful for parents/guardians to attend a meeting with school staff prior to enrolment to discuss any additional needs your child may have. An interpreter may be organised, if required.

2.4 Subject to any special exercise of discretion by the parish priest, the following list provides an agreed order of priority for enrolment in our school, which is consistent with the enrolment policy for all Catholic schools. The order of priority is:

- a) Children from families who have siblings enrolled in the school;
- b) Catholic children of active parish families who reside within the parish;
- c) Catholic children who do not reside in the parish but are recognised as active parishioners by the Parish Priest of Resurrection;
- d) Catholic children from other parishes with a letter of endorsement from the Parish Priest of that Parish or for pastoral reasons;
- e) Children from non-Catholic Eastern churches who reside in the parish who are recognised as active parishioners by their Priest / Pastor;
- f) Catholic children of families who reside within the parish who are recognised as active
- g) parishioners of the church community;
- h) Other Christian children who reside in the parish;
- i) Others for pastoral reasons;

2.5 Where existing families have moved residence outside the parish between original enrolment and sibling enrolment, priority will be given to new Catholic families residing in the Parish, unless the family can demonstrate that they have maintained their belonging and commitment to the parish.

### **3. School Fees and Levies**

3.1 The setting of fee levels and other compulsory charges in Catholic schools is the responsibility of the school, taking into account the allocation of government funds. The school offers a number of methods for paying fees to reduce any financial burden and to assist financial planning. If you have difficulty in meeting the required fee payment, you are welcome to discuss this with the principal of the school.

3.2 The fees must be paid for a child to enrol and to continue enrolment at the school. The school has discretion whether to allow a child to participate in optional or extracurricular school events, such as paid school excursions or extracurricular activities, while fees remain due and payable.

### **4. Support Documentation Required with your Enrolment Form**

- a) Birth, Baptism and Sacramental Certificates (Eucharist, Reconciliation, Confirmation)
- b) School Entry Health Immunisation Certificate
- c) Previous School Report (If Applicable)
- d) Transfer Note from Previous School (If Applicable)
- e) Court Intervention Orders (If Applicable)
- f) Passport Details and Entry Date (If born overseas)
- g) Asthma/Anaphylaxis Management Plans (If Applicable)
- h) Catholic families seeking to enroll children from other parishes must present a letter of endorsement from their residential Parish Priest with their enrolment application
- i) Non-Catholic families must include a letter with their application stating the reasons why they wish to enroll their child in a Catholic school
- j) A Working with Children Check is required for active parent participation in the school.

### **5. Enrolment under minimum school entry age**

5.1 Catholic Education Melbourne Enrolment for Schools Policy 2.4 is intended to ensure that, when enrolling students, Catholic schools are compliant with relevant Victorian and Australian government legislation. The minimum starting age for a child to be enrolled in a Victorian school is four years and eight months, i.e. a child must turn five by 30 April in the year of starting school. Enrolment of children under the minimum school entry age and pre-Prep programs require approval from Catholic Education Melbourne via the 'Application for Early Age Entry to School'.

5.2 The minimum starting age for a child to be enrolled in a Victorian school is four years and eight months, ie. a child must turn five by 30 April in the year of starting school. The school will make an assessment of a child's readiness for school when considering the enrolment of a child under the minimum age, but in principle the school does not support it.

5.3 In the rare situations where:

- a) a parent/guardian seeks enrolment of a child under the minimum starting age; and
- b) the Principal supports the enrolment of that child at the school if approval were granted, the approval of the Director of Catholic Education is required before enrolment under the minimum starting age can occur.
- c) Approval for early age enrolment will only be granted in exceptional circumstances.

## 6. Child safe environment

- a. Catholic school communities have a moral, legal and mission-driven responsibility to create nurturing school environments where children are respected, their voices are heard, and where they are safe and feel safe.
- b. Every person involved in Catholic education, including all parents at our school, has a responsibility to understand the importance and specific role they play individually and collectively to ensure that the wellbeing and safety of all children is at the forefront of all they do and every decision they make.
- c. Our school's child safe policies, codes of conduct and practices set out our school's commitment to child safety, and the processes for identifying, communicating, reporting and addressing concerning behaviour and allegations of child abuse. These documents establish clear expectations for all staff and volunteers for appropriate behaviour with children in order to safeguard them against abuse.
- d. Our school has established human resources practices where newly recruited staff, existing staff and volunteers in our school understand the importance of child safety, are trained to minimise the risk of child abuse, and are aware of our school's relevant policies and procedures. Our school also provides ongoing training, supervision and monitoring of staff to ensure that they are suitable to work with children as part of our human resources practices.
- e. Our school has robust, structured risk management processes that help establish and maintain a child safe environment, which involves consideration of possible broad-based risk factors across a wide range of contexts, environments, relationships and activities that children within our school engage in.
- f. Our school, in partnership with families, ensures children and young people are engaged and are active participants in decision-making processes, particularly those that may have an impact on their safety. This means that the views of staff, children, young people and families are taken seriously and their concerns are addressed in a just and timely manner.
- g. Our school's child safety policies and procedures are readily available and accessible. Further details on the Catholic education community's commitment to child safety across Victoria can be accessed by visiting:
  - i. Catholic Education Commission of Victoria Ltd's child safety page [www.cecv.catholic.edu.au/Our-Schools/Child-Safety](http://www.cecv.catholic.edu.au/Our-Schools/Child-Safety)
  - ii. Catholic Education Melbourne's child safety page [www.cem.edu.au/Our-Schools/Choosing-a-School/Child-Safety.aspx](http://www.cem.edu.au/Our-Schools/Choosing-a-School/Child-Safety.aspx).

## **7. Terms of enrolment regarding acceptable behaviour**

7.1 Our school is a community that exemplifies the Gospel values of love, forgiveness, justice and truth. The school community recognises that everyone has the right to be respected, to feel safe and be safe; and in this regard, understands their rights and acknowledges their obligation to behave responsibly.

7.2 Every person at the school has a right to feel safe, to be happy and to learn, therefore we aim:

- a) to promote the values of honesty, fairness and respect for others;
- b) to acknowledge the worth of all members of the community and their right to work. and learn in a positive environment;
- c) to maintain good order and harmony;
- d) to affirm cooperation as well as responsible independence in learning; and
- e) to foster self-discipline and to develop responsibility for one's own behaviour.

7.3 The school administration, in consultation with the school community wherever appropriate, will prescribe standards of dress, appearance and behaviour for the student body. In terms of your child's enrolment, parents and guardians are expected to comply with the school's behaviour aims and the school's Code of Conduct, and to support the school in upholding prescribed standards of dress, appearance and behaviour.

7.4 Unacceptable behaviour by a child, or repeated behaviour by a parent or guardian that, in the school's view, is unacceptable and damaging to the partnership between parent/guardian and school , may result in suspension or termination of the child's enrolment.

## **8. Terms of enrolment regarding conformity with principles of the Catholic faith**

8.1 As a provider of Catholic education, the school Principal will take into account the need for the school community to represent and conform with the doctrines, beliefs and principles of the Catholic faith when making decisions regarding matters of school administration, including enrolment. Pupils and families who are members of other faiths are warmly welcomed at our school. However, the school reserves its right to exercise its administrative discretion in appropriate circumstances, where it is necessary to do so to avoid injury to the religious sensitivities of the Catholic school community.

## **9. Terms of enrolment regarding provision of accurate information**

9.1 It is vitally important that the school is made aware of each child's individual circumstances insofar as these may impact upon his or her physical, functional, emotional or educational needs, particularly where the school is required to provide additional support to the child.

9.2 Parents and guardians must provide accurate information when completing an enrolment form and must supply the school prior to enrolment any additional information as may be requested, including copies of documents such as medical/specialist reports (where relevant to the child's schooling), reports from previous schools, court orders or parenting agreements. Provision of requested

documentation is regarded as a condition of enrolment, and enrolment may be refused where a parent/guardian has unreasonably refused to provide requested information or knowingly withheld relevant information from the school.

9.3 Where, during the course of a child's enrolment, new information becomes available that is material to the child's educational and/or safety/wellbeing needs, it is a term of the child's continuing enrolment that such information is provided to the school promptly.

9.4 The provision of an inaccurate residential address, or failure to provide an updated residential address for the child will also be treated as a breach of the terms of enrolment.

## **10. Enrolment for children with special needs**

10.1 The school welcomes parents/guardians who wish to enroll a child with special needs and will do everything possible to accommodate the child's needs, provided that an understanding has been reached between the school and parents/guardians prior to enrolment regarding:

- a) the nature of any diagnosed or suspected medical condition/disability, or any other circumstances that are relevant to the child's additional learning needs (for example, giftedness or an experience of trauma);
- b) the nature of any additional assistance that is recommended/appropriate to be provided to the child (for example, medical or specialist equipment, specialist referrals; specific welfare support;
- c) modifications to the classroom environment or curriculum, aide assistance, individualised educational programs, behaviour support plans or other educational interventions as may be relevant);
- d) the individual physical, functional, emotional or educational goals that are appropriate to the child, and how the parents/guardians and the school will work in partnership to achieve these goals;
- e) and any limitations on the school's ability to provide the additional assistance requested.

10.2 The process for enrolling students with special needs is otherwise the same as for enrolling any student.

10.3 As every child's educational needs can change over time, it will often be necessary for the school to review any additional assistance that is being provided to the child, in consultation with parents/guardians and the child's treating medical/allied health professionals, in order to assess:

- a) whether the additional assistance remains necessary and/or appropriate to the child's needs;
- b) whether the additional assistance is having the anticipated positive effect on the child's individual physical, functional, emotional or educational goals; and
- c) whether it remains within the school's ability to continue to provide the additional assistance, given any limitations that may exist.

## 11. Assessment and updates

11.1 Various opportunities are provided during the year to let you know your child's progress. You will receive two comprehensive written reports each year, and arrangements will be made for at least one interview where you can discuss your child's progress with the teacher. In addition, you can always contact the school to arrange a meeting with the teacher if you have concerns or wish to have an update on progress.

12.9 The School Privacy Policy also sets out how you may complain about a breach of privacy and how the School will deal with such a complaint.

12.10 As you may know the School from time to time engages in fundraising activities. Information received from you may be used to make an appeal to you. It may also be disclosed to organisations that assist in the School's fundraising activities solely for that purpose. The School will obtain separate permissions from the pupils' parent or guardian prior to publication if we would like to include photographs or other identifying material in promotional material for the school.

12.12 If you provide the School with the personal information of others, such as doctors or emergency contacts, we encourage you to inform them that you are disclosing that information to the School and why, that they can access that information if they wish and that the School does not usually disclose this information to third parties.

# Child Safety Code of Conduct

## Introduction

Registered schools have an important responsibility for keeping children safe. Schools already take steps to protect children from abuse.

Standard three (clause nine of the Ministerial Order) requires that the school governing authority develop, endorse and make publicly available a code for all school staff.

The standard has four specific requirements. They are that the code of conduct:

1. has the objective of promoting child safety in the school environment
2. sets standards about the ways in which school staff are expected to behave with children
3. takes into account the interests of school staff (including other professional or occupational codes of conduct that regulate particular school staff such as registered teachers), and the needs of all children, and
4. is consistent with the school's child safety strategies, policies and procedures as revised from time to time.

Please note that the Ministerial Order defines some terms broadly. Some examples are included at the end of this information sheet. A full list of definitions is available at [www.vrqa.vic.gov.au/childsafe](http://www.vrqa.vic.gov.au/childsafe).

## Principles for adult's behaviour in undertaking child-connected work

Some simple principles should guide an adult's behaviour when undertaking child-connected work such as:

- the adult/child relationship should be professional at all times
- an adult's response to a child's behaviour or circumstance should be commensurate with the child's age and vulnerability and the adult's responsibility for the care, safety and welfare of the child
- an adult should not be alone with a child unless there is line of sight to other adults
- an adult should not initiate or seek physical contact or contact with children outside school.

## Acceptable and unacceptable behaviours

The followings lists provide examples of statements about acceptable and unacceptable behaviours which will be included in our school's code of conduct. The list is not intended to be exhaustive, but assist us when reflecting upon our conduct, expectations and the needs of this community.

### Acceptable behaviours

All staff, volunteers and those who are identified as having a specific role as members of Resurrection Parish School are responsible for supporting the safety of children by:

- adhering to the school's child safe policy and upholding the school's statement of commitment to child safety at all times
- taking all reasonable steps to protect children from abuse
- treating everyone in the school community with respect
- listening and responding to the views and concerns of children, particularly if they are telling you that they or another child has been abused or that they are worried about their safety/the safety of another child
- promoting the cultural safety, participation and empowerment of Aboriginal and Torres Strait Islander children (for example, by never questioning an Aboriginal and Torres Strait Islander child's self-identification)
- promoting the cultural safety, participation and empowerment of children with culturally and/or linguistically diverse backgrounds (for example, by having a zero tolerance of discrimination)
- promoting the safety, participation and empowerment of children with a disability (for example, during personal care activities)
- ensuring as far as practicable that adults are not alone with a child

- reporting any allegations of child abuse to the school's leadership (or child safety officer if the school has appointed someone to this role)
- understanding and complying with all reporting obligations as they relate to mandatory reporting and reporting under the *Crimes Act 1958*
- reporting any child safety concerns to the school's leadership (or child safety officer if the school has appointed someone to this role)
- if an allegation of child abuse is made, ensuring as quickly as possible that the child(ren) are safe
- reporting to the Victorian Institute of Teaching any charges, committals for trial or convictions in relation to a sexual offence by a registered teacher, or certain allegations or concerns about a registered teacher.

**Unacceptable behaviours**

Staff and volunteers must not:

- ignore or disregard any suspected or disclosed child abuse
- develop any 'special' relationships with children that could be seen as favouritism (for example, the offering of gifts or special treatment for specific children)
- exhibit behaviours with children which may be construed as unnecessarily physical (for example inappropriate sitting on laps)
- put children at risk of abuse (for example, by locking doors)
- initiate unnecessary physical contact which children or do things of a personal nature that a child can do for themselves, such as toileting or changing clothes
- engage in open discussions of a mature or adult nature in the presence of children (for example, personal social activities)
- use inappropriate language in the presence of children
- express personal views on cultures, race or sexuality in the presence of children
- discriminate against any child, including because of age, gender, race, culture, vulnerability, sexuality, ethnicity or disability
- have contact with a child or their family outside of school without the school's leadership or child safety officer's (if the school has appointed someone to this role) knowledge and/or consent or the school governing authority's approval (for example, unauthorised after hours tutoring, private instrumental/other lessons or sport coaching). Accidental contact, such as seeing people in the street, is appropriate.
- have any online contact with a child (including by social media, email, instant messaging etc) or their family (unless necessary eg by providing families with e-newsletters or assisting students with their school work)
- use any personal communication channels/device such as a personal email account
- exchange personal contact details such as phone number, social networking sites or email addresses
- photograph or video a child without the consent of the parent or guardians
- work with children whilst under the influence of alcohol or illegal drugs
- consume alcohol or drugs at school or at school events in the presence of children.

**I / We agree to abide by the principles for adult's behaviour in undertaking child-connected work**
