

School arrival and departure

Prep
Enrol now

It is essential that current families, who have children enrolled in the school and are seeking enrollment for a Prep child next year, please contact the office via phone on **8312 6312** or Ruth Lavery, who oversees all enrolments, via email on rlavery@rskingspark.catholic.edu.au

We have already filled 39 of the 75 places being offered.

Once we have filled the 75 places available for next year, any further application for enrolment after **Friday 26th June 2020 (last day of Term 2)** will go on a waiting list that is in alignment with our enrolment policy.

The 3 C's of life:
CHOICES, CHANCES, CHANGES.

You must make a choice to take a chance or your life will never change.

What a brilliant start to this week with our families adjusting incredibly well to the new drop off and pick up procedures that we have put in place.

Grade 3 to Grade 6 Parents

On Tuesday 9th June, our Grade 3 to Grade 6 students will return to school. We can already feel a sense of excitement as the day approaches.

Given the fantastic effort made by our parents from Prep to Grade 2 in adjusting to the new procedures for drop off and pick up, we would be very grateful if parents who have not, as yet, experienced the new procedures, please ensure you have read up on what is required and to follow the instructions given.

Next Friday, a specific "Return to School Information Letter" will be provided to all Grade 3 to 6 parents. We are aware that there has been a huge amount of information provided by the school and that this, like the nightly news, can cause you to switch off. Therefore, we are limiting, at present, the information given unless specifically required. On the following page are three (3) essential things that we know will make things go smoothly for everyone.

Please read on

Action 1:

Always Turn Left – When leaving the school grounds from the parent car park, always turn left. In doing so, the traffic moves very quickly. Anyone caught behind a person insisting they should turn right knows how frustrating it can be given the number of vehicles they hold up simply for their own convenience. (We are a Catholic school and should be modelling Christian behaviours – in others words, think about others, not just yourself.)

Action 2:

Remain in Your Vehicle Until Instructed – In the afternoons, at pick up time, we require parents to remain in their vehicle until a staff member calls you to come forward. Please do not move from your vehicle because you are seeing others do so. In having a staff member walk along every row, we are creating a system by which we are able to stagger the number of parents moving in and out of the hall and Church. Your assistance is hugely needed in this action so that we are able to comply with the 1.5m social distancing rule.

Action 3:

Let Your Child Know How You Will Pick Them Up – One of the things that helps to relax your child at the end of the day is knowing who is picking them up and how they are being picked up. This can range from a child having to walk home with a parent, or by themselves, having you or a grandparent collect them by car, or the child being enrolled in Out of School Care.

A side note to this is that if you have changed plans or are going to be expectantly late due to an unforeseen matter, please contact the office so that we can let your child know. Children not collected at 3.45pm must be enrolled in the Out Of Hours Care Program.

This week we commenced flying flags of the countries that our families come from. As you look from the carpark, to the left of the school office entry you will notice three (3) new flag poles. Our fourth flag pole, which is to the right of the office building, flies the Australian flag.

This week we are flying the Vietnamese, Maltese and South Sudan flags. Each fortnight, these flags will be changed over, allowing other countries to be recognized, honoured and celebrated. It has been wonderful to already hear children recognize their families cultural flag and to be able to share some of the knowledge they have of where their family has come from. (We would love to receive any photos of students in their families national costume as part of enriching our communities appreciation of who we are as a community and nation.

They say silver is the colour of distinction. Well these four students must be very distinguished.

Congratulations to Lance A, Ni-Ku L B, Carlos O and Jasmine P and Shayne (4FB), five new members of the silver family.

Each student received a silver medal this week.

To achieve a silver medal, each student needed to score five bronze medals (1,000 points in one week) over five different weeks. It is terrific to see so many students utilising Mathletics to improve their Maths skills. Keep up the good work!

STUDENT AWARDS

PEP:

Zevi T - For having a wonderful start back to school and being engaged in his learning. Keep up the amazing effort Zevi!

Amy R - For having a fantastic start back to school and always giving her learning takes a go and never giving up. Keep up the amazing effort Amy!

PDC:

Santa O - For listening to the first sound and using the picture to guess the word.

Christian M - For working out a word, using the first sound and the picture, when reading.

PSB:

Isla H - For showing confidence and engaging back into the school routine. I am so proud of your 'have a go' attitude! Keep up the amazing effort Isla!

Parker C - For your engagement and wonderful responses in our Inquiry unit 'sharing the planet'. I am so proud of your positive attitude towards your learning. Well done Parker!

1KZ:

Madison M - For showing resilience and returning to school with a massive smile on your face.

Ajak S - For returning to school with a positive attitude and always using your manners.

1AH:

Marcus T - Congratulations on a positive return to school. You are focused on completing work to the best of your ability and you are following instructions. Keep up the great effort.

1TN:

Emmeline Q - For returning to school with a positive attitude and always being courteous to others. Well done Emmeline!

Jayden R - For always using feedback to improve his learning across all curriculum areas. E.g. trying to always read with stamina and expression.

2AF:

Jalen L - For listening to and responding to feedback in a positive way, and using expression when reading unfamiliar texts. Well done, Jalen!

Margarette D - For using a variety of decoding strategies when reading unfamiliar texts. Well done, Margarette!

2BM:

Madison M - For your participation and listening so attentively during class. Congratulations on a positive return to school Madison!

2AO:

Ethan S - for settling well back into school and concentrating very hard to complete a character profile in Literacy. Well done Ethan!

Ignacio A - for a positive return to school and putting great effort into completing all his tasks. Well done Ignacio!

3MD:

Nevaeh M - For her creative use of real coins to solve complex maths equations.

Kobi W - For being able to apply his amazing knowledge of number facts to complex maths equations.

3JT:

William H - For showing great effort during online learning and completing his activities to a high standard.

Alexander V - For showing great effort during online learning, completing tasks to a high standard and your great enthusiasm when reading to the class.

3LF:

Jacob W: For being independent with your online learning and completing your work

Ngopawpha K: For being independent with your online learning and completing your work.

4LD:

Johnelle N - for consistent application to online learning with outstanding results and contributions to google meet discussions.

Kevin L - for improvement in handing in online assignments with outstanding presentation and showing enthusiasm in his online learning.

4JM:

Leila L - For her continued effort, resilience and enthusiasm during online learning.

4SB:

Khloe P - For approaching all online tasks with a positive attitude and asking questions to clarify her understanding.

5MS:

Marcus M - For showing great effort during online learning and completing his activities to a high standard.

Nathan L - For concentrating and completing all tasks to the best of his ability and always having a positive attitude towards his learning.

5SS:

Jack C - For his continued punctuality, enthusiasm and motivation during online learning.

Raghd S - For consistently applying herself to all tasks and giving everything a go.

5MG:

Andrew L - For always being punctual to his groups, showing confidence with his answers and leading group discussions

6SG:

Tommy B - for learning a range of strategies to help develop his understanding in doing division and multiplication

6TF:

Hayden F - commitment to completing all of his work over a 4 week period - great persistence.

6SC:

Hayden C - for his continued positivity, punctuality and humour during online learning.

Specialist Awards

LOTE:

Charli G 3JT - For using the Italian language and creating a puppet play about 'La Gallinella Rossa'. You used different voices for each animal which made the play exciting to listen to. Keep up the great work.

ICT

The following students have excelled in using the online coding course code.org. They have shown persistence and been good problem solvers.

6SC

Aurelius C & Lenix T

6TF

Janine S & Sienna

4FB

Ethan C, Jacob M, Tyson M & Mitchel A

3LF

Ajak M & Mangtong T

3MD

Christina L, Kayla D & Michael M

Physical Education:**5MS**

Jennilyn M - Consistently taking the initiative to complete set tasks and go beyond what is required.

1TN

Dean M - For applying himself and completing all his work in PE.
